

February 28, 2021

Dear **Club Cactus 15-Silver** Athletes, Families and Staff,

With the health and safety of our athletes, parents, coaches, staff and community members being paramount, I am reaching out to share with you that the Club Cactus Juniors Administration was recently made aware that an athlete on the CCJ 15-Silver team has reported a positive COVID-19 test.

The athlete was last at practice on Thursday February 25, 2021.

In the interest of the health and safety of our athletes and staff, all CCJ coaches and athletes are encouraged to continue to follow CDC guidelines and recommendations from the Arizona Region of USA Volleyball along with the Pima County Department of Health, which include wearing face coverings, washing hands regularly, and practice social distancing where possible.

Out of an abundance of caution, we will be suspending the CCJ 15-Silver team practice on Sunday February 28 (today). The team will resume practices on Tuesday, March 2, 2021 for all athletes that remain symptom free. The purpose of the canceled practice is to avoid any further exposure in case the any other athletes were affected at Thursday's practice.

Please note that of all the positive cases within our club community, there has not been any reported transmission within the practices, and we believe the potential exposure for the team is minimal. If you are concerned regarding the potential exposure, we would recommend having your daughter tested.

In the meantime, please monitor your athlete during the break for any of the following symptoms:

- Fever (temperature over 100 F) without having taken any fever reducing medications
- Loss of smell or taste
- Cough
- Sore throat
- Shortness of breath
- Chills
- Headache

It is imperative that we all continue to communicate and work together to ensure our club members remain safe and healthy. We appreciate the prompt communication from the athlete's family. Please know that CCJ will continue to monitor the situation and will provide additional information as needed.

If you have any questions or concerns, please feel free to contact me.

Respectfully,

Bill Lang | Director
